

Ready for a career in medical writing?

Are you ambitious and looking to become a successful medical writer? Are you ready to use your scientific writing skills, enthusiasm and creative thinking to wow our clients?

If this sounds exciting to you, read on!

We are a successful **medical communications agency** with offices in Switzerland and the UK. We have a 20-year track record in providing a complete range of contemporary medical writing, event management and strategic business and marketing services to the pharmaceutical industry. We are looking for a dynamic and ambitious

ASSOCIATE MEDICAL WRITER (100%)

to join our team in Switzerland or the UK. This is a fantastic opportunity to join an independent company with a culture that encourages and rewards initiative-taking, resourcefulness and enterprise. Our company ethos is driven by **quality and trust**, all our team members are highly valued and have an active role within the company.

RESPONSIBILITIES & OBJECTIVES

- Develop scientific and medical content for medical education and communication projects
- Provide scientific input and logistical support for symposia and advisory board meetings, including development of agenda and meeting content, organisation and coordination of printed materials, and contact with speakers
- Support the team with proofreading, formatting and data checking of scientific documents, including slides, abstracts and educational materials
- Attend client meetings, congresses, etc. to provide support under the supervision of experienced medical writers

YOUR PROFILE

- PhD/MD in medicine, life or health sciences, or pharmacy
- Committed, proactive and client-oriented team player with an eye for detail
- Inner drive to create exceptional work and meet challenging targets
- Fluency in English, both written and spoken, fluency in other languages is beneficial
- Willingness to occasionally travel to client meetings and congresses
- Editorial or medical writing experience in the pharmaceutical industry would be beneficial

BENEFITS

- Competitive remuneration package and performance-based annual bonus
- 30 days holiday
- Open, supportive and dynamic environment
- Excellent opportunities for training and personal development

If you are passionate about science and healthcare and are searching for a role where you can make a difference, then please send your CV and covering letter to Sandra Metzger Hamilton, Human Resources Manager, at sandra.metzger@nspm.com or call +41 41 379 79 06 for an informal discussion.

Applicants who apply to nspm directly will be given priority over those applying via a recruitment agency.
