

We are a successful **medical communications agency** with offices in Switzerland and the UK. We have over 20 years' experience in providing a complete range of medical writing, event management and strategic marketing services to the pharmaceutical industry. We are looking for a talented and ambitious

MEDICAL WRITER (100%)

to join our team in **Lucerne, Switzerland**

Are you an experienced medical writer seeking career progression and a fresh challenge?
Are you ready to use your scientific writing skills, enthusiasm and creative thinking to wow our clients?

This is a fantastic opportunity to join a forward-thinking independent company with a culture that encourages and rewards initiative-taking, resourcefulness and enterprise. Our company ethos is driven by **quality and trust**, all our team members are highly valued and have an active role within the company.

RESPONSIBILITIES & OBJECTIVES

- Take ownership and responsibility for content development and delivery of medical education and communication projects
- Provide scientific input for symposia and advisory board meetings, including development of agenda, meeting content and printed/digital materials
- Build trusting, professional relationships with clients and healthcare professionals
- Proofreading and data-checking of scientific documents, including slides, abstracts and educational materials
- Contribute to innovative solutions for medical writing projects

YOUR PROFILE

- PhD/MD in medicine, life or health sciences, or pharmacy
- At least 2 years' experience as Medical Writer within the pharmaceutical industry, ideally within a medical communications agency
- Confident, proactive and client-oriented team player with an eye for detail
- Ability to lead projects and manage capacities effectively
- Inner drive to deliver exceptional work within tight timelines and changing priorities
- Fluency in English, both written and spoken

BENEFITS

- Competitive remuneration package and performance-based annual bonus
- 30 days holiday
- Flexible working time
- Open, supportive and dynamic environment
- Excellent opportunities for training and personal development

If you are passionate about science and healthcare and are searching for a role where you can make a difference, then please send your CV and covering letter to Sandra Metzger, Human Resources Manager, at HumanResources@nspm.com.
