

We are a successful **medical communications agency** with offices in Switzerland and the UK. We have over 20 years' experience in providing a complete range of medical writing, event management and strategic and marketing services to the pharmaceutical industry. We are looking for talented and ambitious

ASSOCIATE MEDICAL WRITERS (100%)

to join our team in **Meggen, Switzerland** and in **Cheadle, Manchester, UK**

This is a fantastic opportunity to join a forward-thinking independent company with a culture that encourages and rewards initiative-taking, resourcefulness and enterprise. Our company ethos is driven by **quality and trust**; all our team members are highly valued and have an active role within the company.

RESPONSIBILITIES & OBJECTIVES

- Write scientific and medical publications, abstracts and congress presentations
- Develop scientific and medical content for medical education and communication projects
- Provide scientific input for symposia and advisory board meetings, including development of agenda and meeting content, organisation and coordination of printed materials, and contact with speakers
- Support the team with proofreading, formatting and data checking of scientific documents, including publications, slides, abstracts and educational materials
- Attend client meetings, congresses, etc. to provide support under the supervision of experienced medical writers

YOUR PROFILE

- PhD in medical, life or health sciences, or pharmacy
- Committed, proactive and client-oriented team player with an eye for detail
- Inner drive to create exceptional work and meet challenging targets
- Excellent English skills, both written and spoken
- Willingness to occasionally travel to client meetings and congresses

BENEFITS

- Open, supportive and dynamic environment
- Excellent opportunities for training, personal development, and career progression
- Competitive remuneration package and performance-based bonus
- 30 days holiday
- Hybrid work place and flexible working time
- Child care support for families with small children

If you are passionate about science and healthcare and are searching for a role where you can make a difference, then please send your CV and covering letter to Sandra Metzger, Human Resources Manager, at HumanResources@nspm.com.
