

We are a successful **medical communications agency** with offices in Switzerland and the UK. We have over 25 years' experience in providing a complete range of strategic medical communication, medical writing, and event management services to the pharmaceutical industry. We are looking for a talented and ambitious

SENIOR MEDICAL WRITER (100%)

to join our team in **Cheadle, Manchester, UK**

Are you an experienced medical writer seeking career progression and a fresh challenge?
Are you ready to use your scientific writing skills, enthusiasm and creative thinking to wow our clients?

This is a fantastic opportunity to join a forward-thinking independent company with a culture that encourages and rewards initiative-taking, resourcefulness and enterprise. Our company ethos is driven by **quality and trust**; all our team members are highly valued and have an active role within the company.

RESPONSIBILITIES & OBJECTIVES

- Take ownership and responsibility for content development and delivery of medical education and communication projects, including symposia and advisory board meetings, slides, publications, congress materials, digital content, marketing and strategic projects
- Lead medical writing projects to deliver on time, in scope and within budget
- Write and review content, providing input into ideas and concepts. Ensure accuracy and quality of all materials produced
- Build trusting, professional relationships with clients and healthcare professionals
- Attend and actively participate in client meetings / congresses
- Provide support, training and supervision to junior medical writers

YOUR PROFILE

- PhD in medical, life or health sciences, or pharmacy
- At least 3 years' experience as a medical writer within the pharmaceutical industry, ideally within a medical communications agency
- Confident, proactive and client-oriented team player
- Proven ability to lead projects in a motivating way and to manage capacities effectively
- Inner drive to deliver exceptional work within tight timelines and with changing priorities
- Fluency in English, both written and spoken

BENEFITS

- Open, supportive and dynamic environment
- Excellent opportunities for training, personal development and career progression
- Competitive remuneration package and performance-based bonus
- 30 days holiday
- Hybrid workplace and flexible working time
- Childcare support for families with small children

If you are passionate about science and healthcare and are searching for a role where you can make a difference, then please send your CV and covering letter to Sandra Metzger, Senior Human Resources Manager, at sandra.metzger@nspm.com.
